WELCOME TO YOUR CREDIT UNION

Wherry Dragon Credit Union offers a straightforward savings scheme, where the amount you save is taken directly from your salary by payroll each month.

Saving regularly helps prepare you for the unexpected and allows you to be in control of your money. It's a way to save without noticing it, with your savings quietly building in the background.

Your savings are protected by the Financial Services Compensation Scheme and covered by free life insurance. You can easily access your money at any time by emailing or completing a share withdrawal form.

You can join Wherry Dragon if you are employed by a Norfolk public service provider, Norse, or the Broads Authority.

There is a £1 one-off joining fee. When you join, you become a member.

We are a non-profit making financial co-operative, which means that we are owned by our members. Every member has an equal say on matters that affect the credit union, via voting at our Annual General Meeting. Our Board of Directors is elected from within the membership.
