Protected loans to protect your loved ones

Your Wherry Dragon Credit Union loan is protected in the event of your death* – helping protect your family from the financial burden of bereavement.

When you take out a loan with us you also get Loan Protection. If you were to die before your Wherry Dragon Credit Union loan is repaid, this protection can help towards settling the debt, so that it isn't passed on to your loved ones.

Of course, it won't take away the pain but it'll certainly help with the financial strain of bereavement. This benefit is included at no extra cost to you as part of your Wherry Dragon Credit Union loan arrangement* so just for once, peace of mind doesn't cost the earth; it's just another benefit of being a Wherry Dragon Credit Union member.

As a Wherry Dragon Credit Union member, you're not only borrowing for the things you desire to make life more comfortable for you and your family; by choosing Wherry Dragon Credit Union to borrow from, you're helping Wherry Dragon Credit Union provide better value loans for all Credit Union members. With the added peace of mind provided by Loan Protection, loans from Wherry Dragon Credit Union can offer better financial security for you and your family.
